CIRCULAR

Sub: -Non-registration of schools of Delhi on National Scholarship Portal (NSP) for implementation of Scholarship schemes.

Govt. of India launches various scholarship schemes for the welfare of students every year on National Scholarship Portal (NSP). The eligible students for the eligible scholarship directly apply themselves on the portal. The all schools/institutes are required to be registered on this portal to enable verification of scholarship applications under various schemes submitted by the students. If any school/ institute is not registered on the portal the eligible student of the school can't get the benefit of any scholarship scheme. Therefore it is mandatory for all schools to register themselves on the National Scholarship Portal for the welfare of the students.

Ministry of Human Recourse Development, Department of School Education vide its letter dated 20.12.2019 addressed to Secretary Education, informed that out of 5610 schools /institutes across the Delhi, only 1941 schools/institutes as on 18.12.2019 have registered on NSP. Therefore, about 3669 schools/institutes of Delhi are still to be registered on the portal.

On scrutiny of these 3669 schools / institutes it has been found that 867 DoE recognized unaided schools are not registered on the portal. A list of such schools is enclosed herewith.

Therefore, HOSs of the concerned schools are directed to complete the registration process of their school latest by 29.02.2020 positively to enable verification of scholarship application under various schemes in the following year.
