Dear Shri Pramod Ji,

I owe my sincere thanks and gratitude to you and your entire team for cooperation and continued support in implantation of INSPIRE Awards-MANAK. As per the discussions held in the video conference meeting, the nominations for 2020-21 have been opened wef, June 1, 2020. Under this scheme, now each school can nominate five best original ideas/innovations of students through E-MIAS till 30 September 2020.

Due to the current unprecedented pandemic, the schools might not be open now, but we should make best use of this time by inclining our students towards ideas and innovations. Additionally, it's requested to send an updated contact list of the DNOs (Name, Designation, District, Email Id and Phone Number) for further communication. The schools may be suitably informed to update their U-DISE Code well before in order to avoid last-minute inconvenience encountered due to heavy load on the E-MIAS web portal.

I seek your support and coordination to mobilize maximum number of original ideas/innovations even from the remotest sub-districts, so that maximum students can get benefit of the scheme.

I am looking forward for your active support.

Yours Sincerely

Mahesh Patel
