Dear Udit ji

I write this letter to solicit your support in preparing the report on the education reforms implemented by the Delhi Government between 2015 and 2020. The goal of this document is to prepare a report that helps other state government officials, and development sector practitioners understand the Delhi's education reforms model and how they can implement our practices in their contexts, if applicable.

The PGT, TGT and Assistant Teachers of Delhi have played a key role in implementing the reforms proposed by the government. This makes the inputs and opinions of these teachers critical for the report. A survey form has been designed for the same.

It is in this context that I seek your support. You are requested to upload the circular to fill the survey form on ww.edudel.nic.in so that all the teachers can easily be reached.

You are requested to treat this urgently.
