CIRCULAR

Sub: Celestial Jamboree for members of Astronomy Club in schools under Sub Component- Rashtriya Avishkar Abhiyan of Major Component- Quality Interventions under Samagra Shiksha FY 2020-21.

Samagra Shiksha Delhi has established 29 Astronomy Clubs spread over two years – 13 in 2017 and 16 in 2018. The clubs have been very active and are doing activities on their own on regular basis. The clubs are provided with resources like telescope and Teaching Learning Materials for explaining various concepts of science and astronomy, books for sharing facts and interesting information about space and celestial bodies.

Utilisation of these Teaching Learning Materials will be ensured by Organising a Celestial Jamboree wherein the children will see celestial movement through telescope and will be exposed to the wonderful activities going on in the sky.

Through this activity student will learn, through practical exposure, to celestial events like lunar eclipse, movement of planets arrival of comets meteor shower etc. that will help in building confidence among students and prepare them for the future especially when we are going to have technology and science playing an important role.

1. The approved Physical and Financial outlay is as under:
