Date: 16.11.2020

To,
The Deputy Director of Education
Science and TV Branch
Old Gargi College campus,
Lajpatnagar, New Delhi

Subject: Participation in Teachers' Orientation workshop on NCSC Theme – reg.

Sir,

NOSTC (Network of Organisation for Science and Technology Communication, Delhi) organizes the Childrens' Science Congress in Delhi UT with support of NCSTC, DST (National Council of Science and Technology Communication, Department of Science and Technology, Government of India.)

As you are kindly aware this activity encourages young researchers to pursue research questions using the method of science and presenting their findings before experts. The state sends best projects to NCSC (National Children's Science Congress) and ISC (Indian Science Congress) in two categories – Junior (age between 10 to 14 years) and Senior (age between 15 to 18 years as on 31st December 2020.) The NCSC theme this year is "Science for Sustainable Living."

Orientation of science teachers from middle and high schools is the first step of the CSC. We have scheduled the State Teachers' Orientation Workshop by virtual mode on **25.11.2020 from 10.30 am**. Experts from National Academic Committee (NAC) for NCSC will join the workshop as Resource Persons.

It is therefore, requested to make it convenient to circulate the notice among the Government, Government aided, Corporation, Army, Public, International and World Schools. Each school is to depute one science teacher to join the Workshop with the Zoom meeting.
