Sub: Registration of NGOs on NGO Darpan Portal.

The Vice Chairman, National Institution for Transforming India, NITI Ayog has informed that the NITI Ayog has come up with the NGO Darpan Portal. The portal is designed to capture relevant details of all credible CSOs/NGOs where all NGOs who are taking grants from Government have to mandatorily register and obtain a unique identity before submitting their applications for grants from any Ministry

In view of the above, all the NGOs, who are registered under Registration of Societies Act, 1860 or Indian Trust Act, 1882, directed to register themselves on NGO Darpan Portal before submitting application for release of Grant-in-Aid.

A compliance report may be sent immediately to this department for forwarding the same to the Planning Department/NITI Ayog.

This issues with the prior approval of Secretary (ACL).
