Dear Chief Secretary ji,

The Government of India has setup the Atal Innovation Mission (AIM) under the aegis of NITI Aayog with a vision to foster a culture of Innovation and Entrepreneurship in the country. Atal Innovation Mission is establishing Atal Tinkering Laboratories (ATLs) in schools across India to create scientific temper and cultivate the spirit of curiosity and innovation among young minds. Till date, 7000+ schools have received the Grant-in-Aid for establishment of ATLs.

Atal Innovation Mission, NITI Aayog seeks your support in this endeavour to 'Cultivate 1 Million children in India as Neoteric Innovators'.

Handwritten: DDE Science

Every Year, AIM organizes the ATL Marathon - a national level innovation challenge for children across the country who have identified a community problem and have created ingenious solutions to address these challenges of national and global importance.

Handwritten: 1/3/2021

This year's ATL Marathon draws inspiration from Aatmanirbhar Bharat and align itself with the 17 goals of "2030 Agenda for Sustainable Development" (SDG) adopted by all United Nation Member States. The ATL Marathon rests on the five pillars of Aatmanirbhar Bharat - Economy, Infrastructure, System, Demography, Demand.

Handwritten: 04/3/2021

Over the past years, chosen teams from ATL Marathon have further been trained by Atal Incubation Centres and corporates such as IBM, Adobe, Dell etc. to further enhance their 21st century skillsets. Top teams of the ATL Marathon have received an opportunity to showcase their innovation to the Hon'ble President of India Shri Ram Nath Kovind.

Handwritten: S.O. (Secy), 5/3/2021

The ATL Marathon is open to all students across the country. We request for your kind assistance to encourage all students within your State to participate in this program.

NITI Aayog ATL INNOVATION MISSION

ATL MARATHON 2020

1. A team comprising of students (from ATL and Non-ATL schools) can submit their entries in the Marathon.
2. Keep your ATL UID handy while applying. Kindly enter the correct ATL UID to move forward.
3. The Innovations by the student teams must be aligned to one of the Problem Statements of the ATL Marathon 2020.
4. The final entry of the innovation will be in form of a Research document and Video file (both mandatory)
5. ATL In-Charge, School Teachers, Mentors of Change, Alumni and external mentors from the local ATL ecosystem may support the student teams.
6. Each Team shall consist of **maximum 3 students** (class 6th to 12th) and one ATL in-charge/ School Teacher (must be employee of the ATL School). We encourage ATL schools to also include other school and/or community students within the Team Composition.
7. **Kindly note, individual member entry is not allowed. Also if the team size exceeds 3 member limit, the entry/ submission will be immediately disqualified.**
8. Each team must select one Problem Statement, where schools identify community problems of their choice and develop innovative solutions in the form of working prototypes. Submitting the same solution in multiple problem statements will result in immediate disqualification.

The Problem Statements are aligned with the 17 goals of "2030 Agenda for Sustainable Development" (SDG) adopted by all United Nation Member States and rest on the five pillars of Atmanirbhar Bharat:

- Economy
- Infrastructure
- System
- Demography
- Demand

9. The list of Problem Statements is available at:
