CIRCULAR

Subject:-Comprehensive Action Plan on elimination of Single Use Plastics with reference to PRAGATI meeting.

The ministry of Environment, Forest and Climate Change, in order to tackle the menace of plastic waste had notified, the Plastic Waste Management Rules, in March 2016. The Rules make source segregation of various types of waste mandatory. The ambition is to follow a waste-to-wealth pathway via recovery, reuse and recycling. The Rules also introduce Extended Producer Responsibility, as an environment policy instrument, and assign the physical, financial and environmental responsibility to producers, brand owners and importers of plastic. Under the rubric of the Extended Producer Responsibility producers/brand owners need to work with all stakeholders including local bodies, informal sector etc.

In this connection the modalities for preparation of the comprehensive action plan and to generate awareness and capacity building by Development of a public movement by engaging with NCC, NSS and School Students.

For this the following activities are to be undertaken in schools of DOE , GNCT of Delhi. The activities will be held in online mode (only if closure of schools continues), otherwise offline mode will be undertaken if schools reopen for the students.
