Sub.: Amendment to the Policy Guidelines vide No. DHE-4(60)/Policy/GGSIPU/2014-15/5890-5904 dated 12.01.2016, further amended vide No. DHE-4(60)/Policy/GGSIPU/2014-15/465 dated 03.02.2017 for the issue of NOC to the new/existing institutions situated in conforming/ non-conforming areas and allied matters related to self-financed institutions affiliated to GGSIP University for the year 2021-22 & onwards.

Sir,

This is to inform you that the Competent Authority has accorded approval for amendment in Clause 4.1 of the existing policy guidelines, issued vide letter No. DHE-4(60)/Policy/GGSIPU/2014-15/5890-5904 dated 12.01.2016. This Clause was earlier amended vide No. DHE-4(60)/Policy/GGSIPU/2014-15/465 dated 03.02.2017, for issue of NOCs to the new/existing institutions situated in conforming/non-conforming areas and allied matters related to self-financed institutions affiliated to GGSIP University :-

The Amended Clause 4.1 reads as under :

At the time of renewal of NOC for any programme or grant of intake for any programme, the status of admission as against the sanctioned seats will be reviewed. If for any programme in an institute, the admission has been less than 50% of the sanctioned seats consecutively for the last three academic years (i.e. in each of the three years the admission is less than 50% of the sanctioned strength), then **from the 4th year onwards the institutes will be allowed to run the specific study programme with half of the intake of the lastly sanctioned seat strength. The concerned institute however will not be permitted/granted for increase of seats in such programme before successfully completing 3 Academic Year with the reduced half seat strength. This shall not be applicable to institutes with minority status.** If in an institution (minority or otherwise), the short fall in faculty position is 20% or more for two consecutive years for a programme, then no fresh admission shall be allowed. The Government may revalidate a No Objection Certificate granted to any affiliated institution running in a permanent campus for running existing programmes after careful consideration of the following parameters :-

- That programmes are being run smoothly and the quality of education imparted is of acceptable standards.

- That all terms and conditions given in the NOC are being complied with.
- That all terms and conditions for affiliation prescribed by the GGSIP University and other Statutory Bodies are being observed.

The above change in the aforesaid Policy Guidelines may be brought to the notice of all affiliated Institutions/concerned.

This issues with the prior approval of the Competent Authority.

Yours faithfully,

(R.C. Antil)
