Sir,

As you are aware, that Independence Day Celebration 2021 would be celebrated like every year. On this occasion VVIPs & VIPs pass through Mahatma Gandhi Marg, Ring Road.

In view of the intelligence inputs, present threat perceptions the high rise buildings along the route can be used by any militant organization and miscreants during the visit of VVIPs & VIPs. These high-rise buildings are very vulnerable and need full proof security.

I therefore suggest you to take necessary action on the following points to avert any incidents:-

- Only identified vehicles are parked behind the building and in no case along the route side.
- The Office-in-Charge/Security Officer of the building will be responsible for keeping the building free from unidentified object/person/undefined vehicle.
- The keys of the building should be available with the night guard/watchman before the day of visit of VVIP for arrangements to be made on rooftops.
