**INDIAN INSTITUTE OF TECHNOLOGY MADRAS**

**SUNDAY  
June 12  
2022**

09:00 to 12:00 hrs

## About the Examination

HSEE is conducted for admission to the institute's five year integrated Master of Arts (MA) programme, which is designed to meet the needs of students who seek a broad learning forum and appreciate the unique design of inter-disciplinary studies. The programme, offered by the Department of Humanities and Social Sciences (HSS), encourages students to engage in critical thinking and research on ideas, people, society and the human conditions.

There are two streams: **Development Studies and English Studies.**

Allocation of seats to individual streams will be made based on the choice of stream preference by the candidate at the time of admission as per the availability of seats under each discipline.

## Examination Pattern

HSEE-2022 is of three hours duration and has two parts.

Part I consists of objective type multiple choice questions of 2hrs 30mins duration, administered through computer. This part covers questions on (i) **English and Comprehension** (ii) **Analytical and Quantitative Ability**, and (iii) **General Studies** covering the areas of (a) **Indian Economy**, (b) **Indian Society and Culture**, (c) **World Affairs**, (d) **Environment & Ecology**. The syllabus for the examination is provided at the HSEE - 2022 website.

Part II involves essay writing for 30 minutes to be written on an answer sheet distributed to the candidates at the end of Part I. The language of question paper is **ENGLISH**.

## Eligibility

A candidate must have passed the qualifying examination (QE) namely, XII standard or equivalent, for the first time in 2021 or should be appearing in 2022.
