Subject: Monitoring of Sujlam 2.0 – Reg.

Please find enclosed herewith mail regarding Monitoring of Sujlam 2.0 received from Department of School Education & Literacy, Ministry of Education, Govt. of India.

In this regard, the said department has asked a detailed report on the activities taken up in Schools of DoE, GNCT of Delhi as per of Sujlam 2.0 campaign along with good quality photographs and the following details:

1. No. of Grey Water Soak Pits constructed in the Schools.
2. No. of Schools in which Kitchen Garden is setup
3. No. of rain Water Harvesting structures constructed in the schools.

Therefore, all the HoSs of the Govt./Govt. Aided/Pvt Unaided recognized schools of DoE, GNCT of Delhi are requested to submit the above said details in Format-I to their respective DDEs (District). Subsequently, all the DDEs (District) will send the compiled report to the Science Branch in Format-II at the Mail Id- sciencebranch@gmail.com till 10 July 2022.

This issues with the prior approval of the competent authority.

(Zareen Taj)
Addl. Director of Education (Science)

Enclosed: As above.

F.No. DE.40(6)/DDE/SCB/2022-23/ 398-402

Date: 06/07/2022

Copy for information and necessary action to:-

- 1- PS to Secretary (Education), GNCT of Delhi.
- 2- PA to Director, Directorate of Education, GNCT of Delhi.
- 3- All DDEs (District)- to ensure the compliance please.
- 4- HoSs of all Govt./Govt. Aided/Private Unaided recognized Schools of DoE, GNCTD.
- 5- OS (IT) with the request to upload the circular on the official website of Department of Education and in public circulars section.

(Dr. Sudhakar Gaikwad)
Dy. Director of Education (Science)

Format-I (To be submitted by the Schools to their respective DDE (District))

Shastri Bhawan, New Delhi,
Dated 11th May, 2022

To

The Pr. Secretaries/ Secretaries (School Education) of all States/UTs.

Sub: Monitoring of Sujlam 2.0 – reg.

Sir/ Madam,

I am directed to forward herewith the Ministry of Jal Shakti, Department of Drinking Water & Sanitation's communication dated 12th April 2022 regarding **Sujlam 2.0 campaign**, which was launched on **World Water Day, 22nd March 2022**, in partnership with Ministry of Education, D/o School Education & Literacy, as a step forward towards the global theme of this year 'Groundwater – to make the invisible visible', following the principles of 3Rs viz. Reduce, Reuse and Recharge (copy attached).

2. The prime focus of the Sujlam 2.0 campaign is to prioritize village with 100% Functional Household Tap Connections (FHTCs) under Jal Jeevan Mission (JJM) and saturate villages with Grey Water management. The campaign also focuses on creation of community and institution-level greater management assets, such as soak pits, leach pit, magic pits or kitchen gardens in campaign mode to promote complete saturation at Panchayat Ghars, Health Care Facilities, Schools, Community Centres and other public institutions.
3. For, successful implementation of the Sujlam 2.0 campaign, Ministry of Jal Shakti, Department of Drinking Water & Sanitation has also issued a Joint Advisory dated 21st March 2022, signed by Ministry of Jal Shakti, Department of Drinking Water & Sanitation, Department of School Education & Literacy and M/o Panchayati Raj, to the Chief Secretaries of all the States/UTs (copy attached).
4. Dept. of Drinking Water and Sanitation is requesting to submit the details of progress made under the Sujlam 2.0, hence it is requested to send a detailed report on all the activities taken up by your State / UT as per of Sujlam 2.0 campaign along with good quality photographs along with the following details to email ID: is6section@gmail.com
 - (i) No. of Grey Water Soak Pits constructed in Schools as part of Sujlam 2.0
 - (ii) No. of Schools in which Kitchen Garden is setup as part of Sujalam 2.0
 - (iii) No of Rain Water Harvesting structures constructed as part of Sujajam 2.0
5. It is requested to send the above details by 20-05-2022.

Encl. As stated above

Yours faithfully

Subject: Monitoring of Sujlam 2.0 progress on IMIS – Reg.

Madam,

As you are aware, on World Water Day, 22nd March 2022, **Sujlam 2.0 Campaign** was launched in partnership with your Ministry/Department as a step forward towards the global theme of this year 'Groundwater - to make the invisible visible', following the principles of 3Rs viz., Reduce, Reuse and Recharge.

2. The prime focus of the Sujlam 2.0 campaign is to prioritize villages with 100% Functional Household Tap Connections (FHTCs) under Jal Jeevan Mission (JJM) and saturate villages with greywater management. The campaign also focuses on creation of community and institution-level greywater management assets, such as soak pits, leach pit, magic pits or kitchen gardens in campaign mode to promote complete saturation at Panchayat Ghars, Health Care Facilities, Schools, Community Centres and other public institutions. For successful implementation of the Sujlam 2.0 campaign, a Joint Advisory dated 21st March, 2022 signed by the Department of Drinking Water and Sanitation and your Ministry/Department has been issued to Chief Secretaries of all the States/UTs.

3. In view of this, it is requested to monitor the progress made under the Sujlam 2.0 campaign in your IMIS dashboard by incorporating the required changes and facilitating the updates at Institution/ Village/ District/State level in IMIS.

Yours sincerely,

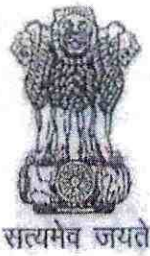

(Arun Baroka)

Additional Secretary to the Government of India

Phone: 011-24362192

E-mail: arun.baroka@nic.in

No. 5-18011/5/2022-SBM-V-DDWS

21st March, 2022

Dear Chief Secretary,

As you may be aware, every year 22nd March is observed as World Water Day. The global theme of World Water Day this year is 'Groundwater – making the invisible visible'. The issue is important in the context of not only climate change mitigation efforts but also to focus on sustainable water supply by following the principles of 3Rs viz., Reduce, Reuse and Recharge.

2. The Swachh Bharat Mission – Grameen is now in phase-II of its implementation with an objective to sustain the gains made under phase-I of the Mission and ensure holistic cleanliness in villages with safely managed solid and liquid waste, which covers biodegradable waste, plastic waste, greywater, and faecal sludge. Further, the Jal Jeevan Mission also aims to bring tap water to every household. Inspired by the Hon'ble Prime Minister's Impetus on Jal Sanchay, the Jal Shakti Abhiyan (JSA) is a time-bound, mission-mode water conservation campaign that is being implemented across India.

3. In August 2021, providing impetus to greywater management, Sujlam 1.0 campaign was launched by DDWS, which was an immense success due to encouraging participation from all States and respective communities. The target set for 1 million soak pits was achieved within the 100 days campaign (10,84,662).

4. Encouraged by the success of Sujlam 1.0 campaign, the Government of India is launching Sujlam Campaign 2.0. The campaign would focus on the creation of institution-level greywater management assets, in Panchayat Ghars, health care facilities (HCFs), schools, Anganwadi centres (AWCs), community centers, and other institutions. Household and community level greywater management would continue to be encouraged. The prime focus of the campaign would be to prioritize and saturate villages with greywater management, which is also a key mandate under the Jal Jeevan Mission accompanying the objective of 100% functional household tap connections.

5. In this regard, objectives and targets that schools may adopt as part of the Sujlam 2.0 campaign are as follows:

- Every school may create and activate their student environment clubs/societies to work on issues of water focusing on greywater management in their respective schools.
- If greywater arrangements are non-existent in schools, every school must construct at least 1-2 greywater soak pits or connect with the drains that lead to treatment facilities such as – Waste stabilization ponds, constructed wetlands etc.; Two primary locations where these may be set up compulsorily are – (1) next to

handwashing stations and facilities; and (2) near kitchens where the mid-day meals are cooked.

- Student representative bodies may spread awareness on waste management, with a keen focus on greywater management during the 100-day campaign.
- Additionally, kitchen gardens can be set up in all schools, promoting good nutrition and recycling of treated greywater.
- Schools may also explore rain-water harvesting or other low-cost water recycling methods for further water conservation, especially as pre-monsoon activity.
- Create awareness through school level IEC activities involving students, especially on soak pits through wall paintings, and other school level activities/competitions.

6. For this purpose, the tied funds under Drinking Water and Sanitation of 15th Finance Commission may be prioritized till complete saturation for greywater management is achieved in schools. Further, if needed, MGNREGA funds may be prioritized for greywater management activities including Soak pit, Leach pit, Magic pit, Kitchen garden and other techniques.

7. It is requested to kindly plan for the implementation of this campaign. An integrated Information, Education, and Communication effort may be initiated at State and District levels for the success of the campaign.

8. We hope that this campaign will be a grand success under your direction and leadership.

Subject: Progress of Sujlam 2.0 Campaign - reg.

Madam,

As you are aware, on World Water Day 2022 i.e. 22nd March 2022, **Sujlam 2.0 Campaign** was launched as a step towards the global theme of this year 'Groundwater - to make the invisible visible'. The Campaign focuses on creation of community and institutional level greywater management assets viz., Panchayat Ghars, PHCs, Schools, AWCs, Community Centres and other government institutions and simultaneously supporting the efforts of retrofitting of existing IHHLs.

2. Department of School Education & Literacy, vide letter dated 12.4.2022 (copy enclosed), was requested to monitor the progress made under the Sujlam 2.0 campaign in its IMIS dashboard by incorporating the required changes and facilitating the updates at Institution/ Village/ District/State level.
3. Subsequently, Department of School Education & Literacy vide letter dated May 11th, 2022 (copy enclosed) has also communicated to the States for ensuring arrangements of greywater management in schools premises and update the achievements in field on IMIS of your Ministry.
4. In view of the above, it is requested to please share the progress made under the Sujlam 2.0 campaign in schools to this Ministry since the launch of campaign on 22nd March, 2022.
