**CIRCULAR**

**Sub: Orientation of DURCCs and CRCCs regarding new Data Capturing Format (DCF) for Unified District Information System for Education (UDISE+) 2022-23**

Unified District Information System for Education U-DISE is the main source of information on educational statistics and is currently being managed by the Department of School Education and Literacy, Ministry of Education, Government of India with effect from the year 2018-19 onwards before which it was initiated and managed by one of the apex educational planning institutions and technical arm of the Ministry of Education, namely the National Institute (University) of Educational Planning and Administration (NIEPA/NUEPA), New Delhi for the period from 1994-95 to 2017-18.

The UDISE+ system is the only source of data for the school education system with respect to schools, teachers and student enrollment. Under the UDISE+ system, the schools used to feed the data manually at the school level in paper version of the data Capturing Format (DCF) with reference date of 30<sup>th</sup> september of each year thus, UDISE+ used to provide school wise data on enrollment, physical infrastructure and teacher etc.

An orientation workshop has been organised for achieving the following objectives:

1. To provide the updated information about the new DCF for year 2022-2023.
2. To orient DURCCs and CRCCs for UDISE+ 2022-2023.
