Subject :- Advisory on the occasion of festival season of Diwali : Regarding

Sir,

Diwali is a festival of lights and joy. Every year, it is being celebrated across the country with zeal and enthusiasm. At the same time, vulnerability of fire incidents increases during this period.

2. Invariably Fire Services do exercise utmost caution and remain extra alert to contain any untoward incidents emanating during such celebration. However, it is necessary that all efforts are made to ensure that this festival season passes off without any fire incident. Besides other measures, States/UTs, CPSUs Fire Services may also launch a special awareness campaign to disseminate information on Dos and Don'ts to be observed on the occasion.

3. This issues with the approval of DG-FS,CD & HG.

Yours faithfully,
