Office Memorandum

As Microsoft has discontinued the Internet explorer services w.e.f. 15/06/2022, in order to provide the seamless digital payment interface to the users of PFMS, a browser-neutral utility for execution of DSC functions has been developed by PFMS for executing the payment functions through DSC under EAT/DBT/SNA/CNA modules.

2. A user manual and process flow stating the step wise information about the changes to be carried out by the existing / new users in the PFMS application for installation of win App utility /DSC enrollment and execution has been prepared and provided at Agency User Level (after login) under the Tab- User Manuals.

3. It has also been decided that new DSC utility (Browser-neutral utility for DSC functions) will be deployed in the PFMS environment on **01/11/2022**. Thereafter, the current Java based utility (presently compatible with Microsoft edge) will be disabled in PFMS application.

4. All Users are advised to go through the attached information and make necessary changes in their system after the deployment of utility i.e. **01/11/2022** for execution of payment files..

5. For any technical support, please contact (i) Sh Faiz Ali @ faizali.khan@nic.in (ii) Ms. Menaka Kumari @menaka.kumari@nic.in(iii) Sh Rajeev Ranjan @ rajeev.ranjan17@gov.in

This issues with the approval of Addl.CGA, PFMS Division.
