To,

All Districts Heads,
Labour Department, GNCTD

Sub : Under Rule 239(1) DBOCW (RE &CS) Rule 2002 regarding commencement /Completion of Civil construction work.

Labour Department HQ with the purpose of increasing the CESS collection and CESS assessment had issued user ID and password to District Labour officers (CESS Collectors) in the year 2019 under the philosophy of ease of doing business. CESS Collectors were supposed to login on MCD portal and find out the addresses of construction sites/Plan approved by them and thereafter issue CESS notices to the establishment/ASSESE.

In the meeting held on 07.06.2022 the progress and mechanism of CESS collection was discussed, the Labour Commissioner has taken a serious view on the slow progress of Cess Collection and Issuance of CESS notices

In view of above, all the District In-charges/CESS Collectors are directed to mobilize their resources towards collection of CESS by obtaining information from the MCD portal in respect of their respective districts and also gather information from other sources regarding construction/renovation/alteration etc., activities in their areas. In case of technical difficulties, the Cess Collector may contact SA (IT) and L.O. (HQ) Labour Department.

The progress, action taken and status report in respect of efforts made by the districts be presented on or before next meeting scheduled to be held on 13.06.2022
