No. SOSE/2023-24/Admission/306

Dated: 19/12/2022

CIRCULAR

Subject: Guidelines for Admission in class 9th of the Dr. B.R. Ambedkar Schools of Specialised Excellence affiliated with the Delhi Board of School Education (DBSE) - Session 2023-24

The Government of the NCT of Delhi has established Dr. B.R. Ambedkar Schools of Specialised Excellence (ASOSEs). These Schools were formed to align with the vision of NEP- 2020 so that students with deep interest and aptitude in a particular domain get specialised learning opportunities from the Secondary stage onward (from classes 9th to 12th).

The Schools of Specialised Excellence are choice-based schools. These schools have state of art infrastructure and learning facilities suited to transact new-age curriculum and assessment in the specialised domains. Students will have the opportunity for experiential learning through projects, field visits, internships, etc. in their chosen field of interest and also have the opportunity to learn foreign languages. This will nurture students for all round development and at the same time provide avenues for success in their chosen area of specialisation.

Further, to give exposure to a wide range of subjects with an emphasis on specialisation, the curriculum for these schools is divided into two parts:

***Common across all ASOSEs:** Foundational level of learning- languages, basic mathematics, basic science, social science, design, etc.

***As per the specialisation:** Subjects specific to the specialisation. This is aligned with prospects of higher education or new age employment opportunities.

In order to provide students an access and exposure to the best possible expertise in their respective fields, the schools have strong tie-ups with knowledge partners of global repute.
