CIRCULAR

Sub: Organization of various Co-curricular activities at different level under National Population Education Project (NPEP) 2023-24-reg.

The Population Education deals with the educational process to spreading the knowledge which leads to a greater awareness among students and teachers as well as a positive change in their attitudes. Curricular activities may prove effective especially in an innovative area like Population Education, Adolescence Education and School Health. As we all know that National Council of Educational Research and Training (NCERT), New Delhi organizes various activities under National Population Education Project for students every year. Delhi got 1st position in Folk Dance at National Level competition 2022-23. Various activities based on Population Education & Adolescents Education (PE & AE) are to be organized at School, Zonal, District & State Levels in current session 2023-24 as per schedule.

All the Heads of Govt. Schools are directed to organize Population Education Week from 1st to 08th September 2023 and send the details of First Position Holder of various activities at School level to the concerned Zonal Convener latest by 11th September 2023 for Zonal Level Competition. The 1st, 2nd and 3rd position holders of various activities at zonal level is to be sent to District Coordinator for District level Competition on or before 25th September 2023 . 1st position holders of various activities at district level competition will be sent for state level Competition on or before 10th October 2023 to the Project Coordinator of PEC at Science Branch.
