

**GOVERNMENT OF NATIONAL CAPITAL TERRITORY DELHI**  
**DIRECTORATE OF EDUCATION: SCHOOL BRANCH (HEALTH)**  
**OLD SECRETARIAT: DELHI-110054**

No. DE.23 (386)/Sch.Br./SHP/2023-24/181-187

Dated: 19.07.2023

**CIRCULAR**

**Sub: Prevention and Control of Vector Borne Diseases (Dengue, Chikungunya & Malaria).**

In view of early onset of Monsoon this year and water logging in Delhi, there are chances of significant increase in the number of dengue cases this year. Therefore, all necessary preventive measures are required to be implemented at the earliest.

Since, *Aedes aegypti* mosquito, the vector for dengue virus, is generally active during day time and commonly bites on ankles and elbows and the fact that the incidence of acute dengue fever is higher in children. Hence the clothing worn by the school going children should be such that both their upper and lower limbs are covered and unexposed.

In line of the above all HoSs of Govt. / Govt. Aided and Pvt. Unaided Recognized Schools under DoE, GNCTD are hereby directed to

1. Distribute Dengue Homework Card (DHC) to each and every student of the school.
2. Ensure that Dengue Homework Card (DHC) cards should be checked and signed by the class teacher / nodal teacher on a weekly basis. The same may be discussed with parent at the time of PTM.
3. Allow students to either wear uniform comprises of full sleeves shirts/blouse & trouser/skirts with slacks or allow the students to wear mufti comprises of full sleeves shirt/ blouse & trouser/slacks till November, 2023.
4. Awareness sessions/ other activities for prevention and control of Vector Borne Diseases in schools may be continued.
5. District VBD officers may be contacted for coordination with reference to prevention and control of VBDs. You are requested to facilitate the District VBD officer, in case they want to visit schools/ undertake some activity in the schools.
6. Pictorials and Handouts may be distributed among the students and display on the notice board of the school.
7. Recorded audio messages regarding awareness of Dengue may be played through mic system. Provided by DDE (District and Zones).

All HoSs of Govt., Govt. Aided and Pvt. Unaided Recognized Schools under DoE, GNCTD are hereby directed to share the awareness instructions already given in the circular No. DE.23 (386)/Sch.Br./SHP/2023-24/166-172 dated 30.06.2023 with the students and school staff to follow at home and also the needful to be done by all HoSs at school level.

Further, Heads of Schools are directed to submit the compliance report to DDE (Zone/District) by 24/07/2023.

All DDE Districts are hereby requested to submit the compliance report at under mentioned e-mail by 28/07/2023. [healthschoolbranch@gmail.com](mailto:healthschoolbranch@gmail.com)

This issues with the prior approval of the Competent Authority.

Encl: As above

  
Dr. Anita Vats  
DDE (School)

All Heads of Govt./Govt. Aided/ Pvt. Unaided Recognized Schools under DoE through DEL-E.

No. DE.23 (386)/Sch.Br./SHP/2023-24/181-187

# डेंगू पर वार, हर घर है तैयार

बारिश के मौसम में डेंगू की बीमारी बहुत ज़्यादा फेल जाती है। घबराने की नहीं है जरूरत। थोड़ी सावधानी बरतने की है जरूरत :-

याद रखिए:

 <p>गमले, फूलदान या घर के आस-पास कहीं भी पानी जमा न होने दें।</p>	 <p>कूलर के पानी को हर सप्ताह खाली करें या उसमें थोड़ा पेट्रोल/तेल डाल दें।</p>	 <p>पानी की टंकी, बाल्टी व अन्य बर्तनों को पूरी तरह ढक कर रखें।</p>
 <p>अनुपयोगी कबाड़ जैसे टूटे बर्तन, बोटल, टिन, टायर और नारियल के खोल को खुले में न रखें/फेंके।</p>	 <p>पूरे शरीर को ढकने वाले कपड़े पहनें एवं मच्छर भगाने वाली क्रीम का इस्तेमाल करें।</p>	 <p>बुखार के समय घर व अस्पताल में मच्छरदानी का नियमित इस्तेमाल करें।</p>

डेंगू की जाँच व उपचार  
दिल्ली सरकार के अस्पतालों  
एवं स्वास्थ्य केन्द्रों में  
निःशुल्क उपलब्ध है

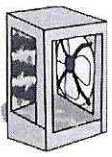

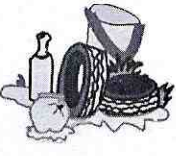

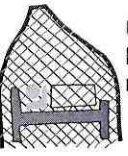

# Dengue Par Vaar

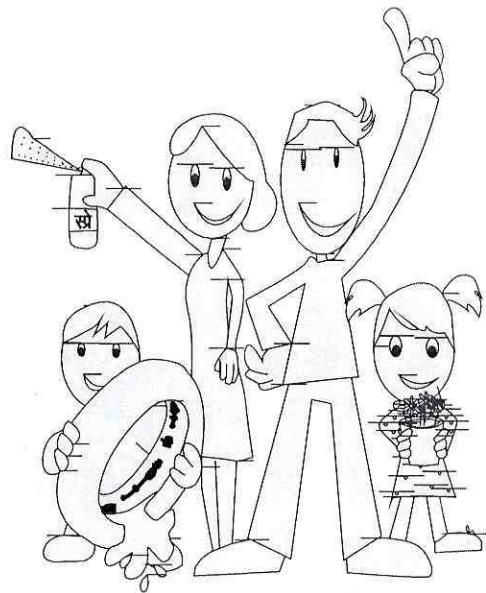

# Dilli Hai Taiyar

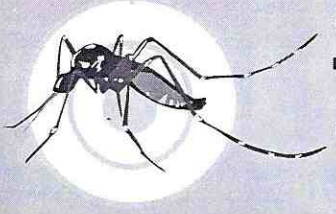

Dengue spreads rapidly during the monsoon months. However, one must avoid panic and take measures to prevent it from spreading further:-

## REMEMBER

 <p>Don't allow water stagnation inside your home, in flower vase and anywhere in the surroundings.</p>	 <p>Empty the water cooler every week or put some oil/petrol in it.</p>	 <p>Always cover the bucket, water tank, other utensils properly</p>
 <p>Don't throw broken utensils, bottles, tin, tires and coconut shells or disposables in the open</p>	 <p>Wear full sleeves and use mosquito repellants.</p>	 <p>Use net at home and hospitals during fever regularly.</p>

Dengue testing and treatment facilities are available free of cost in Delhi Govt. Hospitals
