**MOTIVATIONAL VISITS TO SCHOOLS AS PART OF
NAVY WEEK ACTIVITIES- 2023**

Dear Sir,

1. The 'Navy Day' is celebrated on 04 December every year to commemorate the Indian Navy's role in the 1971 Indo-Pak war by launching the decisive attack on Karachi harbour, a major contributing factor for India's victory. The first week of December is therefore befittingly celebrated as 'Navy Week' every year.
2. With an aim to connect with the civilian diaspora and provide them with a glimpse of Naval life, a number of activities are held during the preceding months in the run-up to the Navy Week. One of the major activities undertaken during this period is interaction with school children, to create awareness about various facets of the Naval Service and job opportunities in the Indian Navy.
3. It is intended to visit 40 schools in NCR region for conduct of motivational visits as part of Navy Week activities 2023 between September to November 2023. A team from the Indian Navy would visit nominated schools and interact with students of classes IX to XII, on a mutually agreed date and time. The event would include a presentation, a short movie and Question - Answer session, for a duration of about 45-60 minutes. The requirement from Indian Navy is a suitable auditorium/ hall with computer (laptop preferable), projection system and public address system.

4. You are requested to kindly disseminate this information to all schools in NCR region and request the schools to forward details in the following format through email inepdelhi@rediffmail.com or fax 011-26105067, latest by 25 Aug 23, for further coordination:-

Ser	Name of School & Address	Details of Principal	Point of Contact with Phone No.	Email	Proposed Dates

Yours faithfully,
