The entire cost towards this would be borne by Department of Science & Technology through National Innovation Foundation (NIF) and requisite amount as per **norms** would be credited to the account of State Nodal officer through electronic mode of transfer. You may also like to take up the matter with concerned Resident Commissioner in Delhi in advance for making requisite boarding, lodging and local travel arrangement for the State contingent either in your State Bhavan or at any suitable place(s) arranged by your Resident Commissioner. **Advance action may also be taken to book train tickets etc.**

3. It is hoped that DLEPCs/SLEPCs in respect of the awardees sanctioned for the year 2021-22 in your State/UT have been completed. In case not, please ensure that the same is completed latest by 25th September, 2023 and **the list of selected awardees for participation in the 10th NLEPC, may be sent to us latest by 30th September, 2023.**
