D.O. No. 7-52/2023-INS.5

Dated 19<sup>th</sup> September, 2023

*Dear Additional Chief Secretary/Principal Secretary/Secretary,*

I am writing this letter in connection with the recent successful Chandrayaan-3 Mission. The journey of Chandrayaan-3 is not only unprecedented but also encapsulates within itself grit, gumption, scientific temper, curiosity, problem solving and creativity – qualities that education across grades strives to instill and achieve.

2. I am sure that you would agree that this momentous occasion should be celebrated and propagated amongst the masses as widely as possible so that the public, especially the youth, can feel a certain sense of pride that this achievement has brought upon our country.

3. Towards this endeavour, Jan Bhagidari events/movements can be taken up for dissemination /propagation of the Chandrayaan-3 mission. As part of the same, schools in your State/UT/ Ministry/Department may be encouraged to take up numerous age- appropriate activities for students from Bal Vatikas to High School stage. Activities like story-telling, poetry-writing, poster making on the sub-themes like "India is on Moon", "Shiv Shakti", "Tiranga" "Pragyan" etc. may also be taken up. Other events like quizzes, debates, etc may be organized and actions like selfie point, merchandising (badges,caps, etc) etc may also be prepared around these themes. These will finally culminate in grand celebration on National Space Day (23 August 2024)- the day of touchdown.

4. I shall be grateful if you could kindly direct all officials under your State/UT/Ministry/Department to take further necessary action for organizing various activities as outlined above in all schools under your State/UT, all EMRS, Sainik Schools, Railway Schools, KGBV, KVs, JNVs, all schools affiliated to CBSE etc. I would highly appreciate if an action plan is quickly formulated and shared with this Department at (chandrayaan.dosel@gmail.com) followed by fortnightly action taken reports (first report by 27-09-2023) may be shared which may include details of activities undertaken, total number of participants and a few shortlisted photographs/short videos etc. Further, photographs/short videos of the events may also be propagated through social media using hashtags (SchoolsbehindChandrayaan/KnowYourChandrayaan/IndiaonMoon/StudentsForChandrayaan/ChandrayaanEducation) and uploaded on your portals.

*Best wishes*

Yours sincerely,

*(Sanjay Kumar)*

Additional Chief Secretary/Principal Secretary /Secretary (School Education) of all States/UTs/Ministries/Department (as per list attached).
