CIRCULAR

Sub: Inviting articles for December-2023 edition of Quarterly Science Magazine

“नई उड़ान”

“नई उड़ान” the quarterly science magazine, is published by the Directorate of Education. Scholarly ideas/articles submitted by students, teachers & other stakeholders and further shortlisted by the editorial team are included for publication in the magazine. The remaining articles are kept for further consideration in forthcoming issues of the magazine.

“नई उड़ान” is a wide platform for Principals, Vice Principals, Teachers, Alumni & Students of DoE to share their work & ideas.

Healthy people are the foundation for healthy economies. A significant portion of the global population still lacks access to vital healthcare services. The Sustainable Development Goal 3 makes a bold commitment to achieve universal health coverage, and provide access to safe and affordable medicines and vaccines for all. Various determinants of health, including environmental and commercial factors, need attention to pave the way for achieving our common objective of Health for All and achieving the Sustainable Development Goal target.

The editorial team has decided to raise awareness in community about the importance of good health, healthy lifestyles as well as people's right to quality health care services. The theme of the December-2023 edition of the magazine will be “**Good Health & Well-Being**”.
