Coordinator- Education for Aspiring India - National Science Teachers Workshop

Date: 20.11.2023

To,

Shri Sudhakar Gaikwad

Dy Director of Education, Science Branch,
Old Gargi College Building (2nd Floor), Lajpat Nagar, New Delhi – 110024

Sub: 9th India International Science Festival (IISF) 2023 during 17-20 January 2024 reg.

Dear Shri Sudhakar Gaikwad Ji,

Greetings from National Innovation Foundation -India!

As you are aware that the India International Science Festival (IISF) is an initiative of the Ministry of Science and Technology and Ministry of Earth Sciences, Government of India, in association with Vijnana Bharti. National Innovation Foundation -India (NIF-India) has been entrusted with the execution and successful implementation of the 9th edition of IISF 2023 scheduled to be held at DBI-THISTI-RCB Campus, Faridabad, Haryana, during January 17-20, 2024. IISF 2023 resonating with its theme 'Science and Technology Public Outreach in Amritkal' is poised to continue its illustration journey, promising an exhilarating exploration of science and technology.

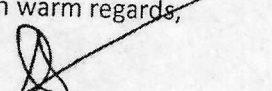

As a part of the programme, Education for Aspiring India - National Science Teachers Workshop will be organized from 17-20 January 2024. Its aim to gather innovative, dedicated educators from across the country to promote experiential learning, emphasize key concepts, and encourage problem-solving skills. Participants will share teaching methodologies and innovations in activity-based learning. Panel discussions will cover various aspects of science education, including effective tools for comprehensive learning. It's also aims to leverage science education as a means for nation-building through Science, Technology, and Innovation, culminating in a report based on discussions and dissertations.

In this context, innovative science teachers (Secondary Education) across the country can submit their application through IISF web portal <https://www.scienceindiafest.org/> by December 03, 2023. The nomination procedure and eligibility criteria are given below.

I would like to request you to please apprise all the schools under your purview about the programme, so that, innovative science teachers can submit their applications well before the given deadline.

I look forward to your kind cooperation as ever to make this programme grand success.

With warm regards,

Mahesh Patel

Registration Procedure:

- Click on <https://www.scienceindiafest.org/register/> for general registration.
- Once general registration completed, log-in into the portal and click on the **Education for Aspiring India - National Science Teachers Workshop** section.
- Fill all the details (step-1 & 2) and submit.
- A confirmation email will be received on the registered email id.
- The final selected teachers will be informed through email.

Eligibility Criteria

- Science teachers across the country from Secondary Education.
- The teachers must have expertise/unique/innovative teaching method i.e developed innovative science experiment/activity or Government award received for teaching or guided students to science based ideas/innovations/projects or developed science teaching kits or worked for science popularization or developed any lab/ other facility to popularize the science etc.
