CIRCULAR

Subject- Invitation for submission of paintings by Students for September-2024 edition of "NAI UDAAN-The quarterly Science Magazine".

The quarterly science magazine "नई उड़ान" is published by the Directorate of Education(DoE), GNCTD. To add more perspective of the students in publication of the magazine, paintings/sketches/drawings prepared by our students are used to design the cover page of the magazine.

Water is essential for life, yet our planet faces a profound and escalating water crisis. Despite being covered in vast oceans, only 2.5% of the world's water is fresh, and an even smaller fraction less than 1% is accessible for human use. Rapid population growth, climate change, and industrial pollution are depleting and contaminating this precious resource, leaving billions without reliable access to clean water.

Solving the global water crisis requires a multifaceted approach, including innovative technologies for water purification and conservation, sustainable agricultural practices, and international cooperation. Therefore, the editorial team of Nai Udaan has decided to raise awareness on this issue. The theme of the September-2024 edition of the magazine will be "**The Global Water Crisis: Causes, Effects, and Solutions**".

Accordingly, Paintings/Sketches/Drawings are invited from the students of Govt./Govt Aided & Private Unaided recognised Schools of DoE on the theme "**The Global Water Crisis: Causes, Effects, and Solutions**". The Selected paintings will be published on the cover page of September-2024 issue of the magazine. To participate, the student must be below 18 years of age. Students can use drawing paper, art paper or any other type of white paper of A4/A3 size for painting. The painting could be of ink, water colour, oil colour or any other medium. The photograph/scanned copy of the painting should be high resolution scanned picture.

The Head of the Schools of Govt./Govt. Aided/Private Unaided recognised schools of DOE are directed to disseminate this information among the students & ensure maximum participation.

The Head of the Schools shall mail the scanned paintings or high resolution picture of the painting in JPEG format at doenaiudaan@gmail.com latest by **Sept. 07, 2024**. The subject of the mail should be "The Global Water Crisis: Causes, Effects, and Solutions".

Name, age, contact number and School Name of the student must be clearly mentioned on the painting.

This issues with the prior approval of the competent authority
