Date: 10/09/2024.

C I R C U L A R

Subject: International Olympiads in Astronomy, Biology, Chemistry, Junior Science, and Physics of 2024-25.

Please find enclosed herewith the letter dated 13.08.2024 regarding students participation in science Olympiads received from Homi Bhabha Centre for Science Education, TATA Institute of Fundamental Research.

In this regard, all the HoSs of Govt./Govt. Aided/Pvt. Unaided recognized schools under DoE are requested to disseminate the above information to their school students for their participation.

This issues with the prior approval of the competent authority.

(Handwritten signature)
(Dr. Sudhakar Gaikwad)

Dy. Director of Education (Science Branch)

Enclosed: As above.

F.No. DE.40(6)/Sc.Br./Misc./2023-24/1335-1340.

Date: 10/09/2024

Copy for information and necessary action to:-

- 1- PS to Secretary (Education), Govt. of NCT of Delhi
- 2- PA to Director, Directorate of Education, GNCT of Delhi.
- 3- All DDEs (District/Zone)- to ensure the compliance please.
- 4- National Coordinator, Science Olympiads, Homi Bhabha Centre for Science Education, TATA Institute of Fundamental Research.
- 5- HoSs of all Govt./Govt. Aided/Private Unaided recognized Schools of DoE, GNCTD.
- 6- OS (IT) with the request to upload the circular on the official website of Department of Education and in Public Circulars section.

HBC/NC/NSE 2024/

August 13, 2024

Dear Madam/Sir

The Homi Bhabha Centre for Science Education (HBCSE-TIFR) is the nodal centre for Science and Mathematical Olympiads in India for more than two decades. This programme is recognised and fully funded by the Government of India through the Department of Atomic Energy (DAE) Department of Science and Technology (DST) Department of Space (DoS) and the Ministry of Education (MoE). We are entrusted with selecting and training the Indian national teams for the highly prestigious International Olympiad competitions in science subjects. You might be aware that the Olympiads are the apex competitions for school students from across the world and Indian students have excelled in the International Olympiads winning prestigious medals every year. More details about the Olympiad programme are available on our website: <https://olympiads.hbcse.tifr.res.in/>

The selection for the Indian teams for the International Olympiads in Astronomy Biology Chemistry Junior Science and Physics proceeds through multiple stages. To participate in the forthcoming Olympiads of 2024-2025 students must appear at the National Standard Examination (NSE) the first stage of the Olympiad programme in the respective subject.

The NSEs in different subjects for the 2024-2025 cycle will be conducted by the Indian Association of Physics Teachers (IAPT) at nearly 1000 centres across the country on 23 and 24 November 2024. The online registration process for schools is currently ongoing at <https://www.iapt.org.in> and will continue till 20 August 2024. Online student enrollment either through registered schools or individually will begin on 21 August and continue till 14 September 2024 on the same website.

We request you to kindly circulate this information about the Science Olympiads and encourage schools under your jurisdiction to register as NSE centres before the due date of 20 August. Further I request you to encourage students to enroll for NSE either through their schools or individually on their own by 14 September 2024.

Details on enrollment eligibility criteria fees dates and times of examination etc. are available at https://iapt.org.in/images/nse_2024/NSE_2024_Student_Brochure.pdf

The NSE 2024-2025 is a crucial first step leading to India's participation in the International Olympiads of 2025. Encouraging participation in these examinations will identify and nurture young talent and inspire a broader interest in sciences across our nation. We earnestly seek your help and cooperation in this important national endeavour.

Thanking you in anticipation

With best regards,

(Anwesh Mazumdar)

Subject: Urgent: Registration and Enrollment in Science Olympiads 2024-2025

Dear Madam/Sir,

You may have noticed the recent exciting news about the rich haul of medals by Indian students in International Science and Mathematical Olympiads, a continuing trend of our outstanding performance on the international arena. This is also the opportune moment for students aspiring to bring laurels to the nation next year!

The online centre registration for the first stage — the **National Standard Examination (NSE)** — of the national Science Olympiads culminating in the participation of Indian teams in the International Olympiads in Astronomy, Biology, Chemistry, Junior Science and Physics in 2025 has started at <https://www.iapt.org.in>. **The deadline for centre registration is 20 August 2024. The student enrollments will be from 21 August to 14 September 2024 on the same website.** More details about the Olympiad programme can be obtained from the above website as well as the HBCSE (nodal centre of science and mathematical Olympiads in India) website: <https://olympiads.hbcse.tifr.res.in/>

We request you to kindly circulate this information among schools and students under your jurisdiction with a word of encouragement. The formal letter for the same is attached herewith.

Kindly note that this is the only Olympiad that leads to India's official participation at the International level. Participation of students from all corners of India will greatly enrich this programme and your help will go a long way in this very important national endeavour.

(Kindly note that a few days ago we had written to you about the Mathematical Olympiads. This is a different request for the Science Olympiad enrollment.)

With best regards,
Anwesh Mazumdar
National Coordinator Science Olympiads in India
