

GENERAL ADMINISTRATION DEPARTMENT
GOVERNMENT OF N.C.T. OF DELHI
5-SHAM NATH MARG, DELHI-54.

ORDER

A lot of bio-mass and bio-degradable waste gets collected on the streets; by-lanes, garbage pits etc. This generally consists of fallen leaves of trees, horticulture waste, household waste and other such wastes. It has been noticed that in some parts of the city this wastage is being burnt for disposal.

The burning of the bio-mass waste is highly objectionable as it pollutes the whole atmosphere. This practice of burning the bio-mass is banned forthwith and in future no such activity shall be allowed.

All the concerned agencies dealing with the bio-degradable waste are directed to take steps for disposal of the waste through any alternative mean except burning. Necessary instructions in this regard be issued by them to the concerned agencies under intimation to the undersigned.

A strict compliance of order is solicited.
