

(vi) Due to Departmentalisation of Accounts in the Union Territory of Delhi w.e.f 1.4.1977, the strength of the S.A.S Accountants/Accounts Officers has increased manifold and as such the existing arrangements are quite inadequate to meet the needs of the Administration. This position was not visualised in the initial stages when the administration became the participant of Northern Zonal Accountancy Training Institute, Jammu because the number of posts of S.A.S Accountants/Accounts Officer at that time was quite on the low side.

(vii) The Institute has also limited resources and as such cannot undertake the training of a large number of officials.

(viii) Experience has also shown that it normally takes two years before a batch sent for training qualifies both the parts of the Examination and is available for posting.

(ix) Due to Departmentalisation of Accounts there is need of training of personnel in the new technique of departmentalised accounts which facility is, at present not available in the Institute.

(3) SANCTIONED STRENGTH

(A) The present sanctioned strength of the Accounts Officers/Pay & Accounts Officers/Jr. Accounts Officers/S.A.S Accountants is as under :-
