No. F.1(20)/CE/ESCIMS/2012-13/411

Dated: 10/12/12 1268

ORDER

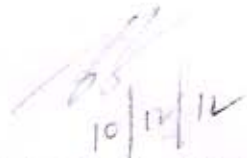

The Department had organized Distillery, Brewery and Winery Awareness and Enablement workshops in July 12. Standard Operating Procedure document (SOP) for the readiness of infrastructure and application was given to the participants. For easy access, the relevant documents are placed on Delhi Excise Government Portal.

In view of the ESCIMS readiness, stakeholder user training was held from 4th Dec.,12 to 7th Dec.12. As a pre-requisite to ESCIMS GO-live plan in Jan, 13, the project team conducted hands-on training of distillery/brewery/winery processes through ESCIMS application. Besides hands on training, Easy Steps to use ESCIMS- Distillery document provided for accessing and testing the ESCIMS application.

It is important for successful launch of ESCIMS application, licensees of distillery/brewery/winery must setup infrastructure and test the application using ESCIMS application from their premises by 21st Dec.,12 in order to meet the objective of ESCIMS Project.

All distillery/brewery/winery are therefore directed to complete the testing by 21st Dec.,12 and confirm the readiness.

This issues with the approval of Commissioner (Excise).
