The fire protection systems provided in the building were test checked and found functional at the time of inspection.

Keeping in view the above substantial compliance of the minimum standards on fire prevention and Fire Safety measures required under the rules it is recommended to grant Fire Safety Certificate under rule 35 of Delhi Fire Service Rules 2010/ issue shortcomings as noted at serial numbers.

Note: The school building comprised of Ground Floor plus one Upper Floor. The upper floor is served by a single staircase having width 150 cmp. The school building having total 16 Rooms including Class Rooms, Offices & Store etc. In each class stadents less than 45 as stated by the Principal of the school, hence No need to provided double doors.
