Date: 26/09/13

Subject: Details of authorized bore wells on DJB Web site.

In the meeting held at Raj Niwas on the issue of ground water depletion in Delhi, it was decided that list of all authorized bore-wells to be mapped and put up on the DJB Web site to enable enforcement agencies to access it on real time basis. Copy of the minutes of meeting was already sent to all the Chief Engineers (Civil) Maintenance Zones.

All Chief Engineers (C) Maintenance Zones are again requested to ensure that list of all authorized bore-wells is mapped and put up on the DJB Web site in two weeks time, which may be updated on quarterly basis.
