ORDER

The Competent Authority is pleased to allow installation of the Speed Limiting device (SLD) of M/s Actia India Pvt. Ltd. in the vehicle models as detail given below.

S No	Vehicle Model/Engine power	IOCS Registration No.	Certificate No. & Date
1.	MARUTI EECO CNG	CCTNACTH02P29 267 DATED 23/01/2013	CTOVI 0134 dated 10/04/2013 issued by ICAT
Type approval certificate No. / Date/ Agency for compliance of AIS-37		No. AB2617 dated 14/01/2012	

The testing agency has certified that the vehicle performance test carryout on the vehicle model as mentioned above for the requirement of AIS-018/2001, as amendment from time to time. As per the certificate issued by ICAT, Para 5.1, the vehicles model meet the requirement of AIS 018/2001 along with amendment No. 1 and 2.

The Speed Limiting Device (SLD) specified as above at speed 40 Km/hrs met the specified requirements of Cl. No. 5.7 of AIS-018/2001, when installed on vehicle model. "Maruti EECO".

CMVI (Burari) is requested to accept the Speed Limiting Device(SLD) manufactured by of M/S Actia India Pvt. Ltd. In the above notified vehicle model, after certifying that all the components and installation of the speed limiting device shall be as per the technical specifications given in Test Report.

CMVI (Burari) is requested to instruct BOI to verify and authenticate each and every vehicle fitted with this SLD for sealing of mechanical joints between SLD, fuel filter and FIP as shown in the Annexure III of this test report. This is to safeguard against mechanical tampering of SLD. This has to be ensured for compliance at all the time. Individual transport authorities will have to evolve suitable mechanism for this proposal.

Further, it will be ensured that the O.E fitment should be in accordance with the provisions of Central Motor Vehicle Rule 1989, departmental instructions/orders issued time to time and fitment should be as per approved layout, for the purpose of issuance of COF under section 56 of Motor Vehicle Act.
