20.

Son

The fire protection systems provided in the building were test checked and found functional at the time of inspection.

Keeping in view the above substantial compliance of the minimum standards on fire prevention and Fire Safety measures required under the rules it is recommended to grant Fire Safety Certificate under rule 35 of Delhi Fire Service Rules 2010/ issue shortcomings as noted at serial numbers.....

Note: - The Petrol pump premises is comprised of ground florenly. There are numbers of "No Smoking" board displayed and ten numbers of sand buckets pept in the premises. FSC is recommended for renewel please
