No.F.DJB/DOR/DDR-I/14/ 4074

Dated : 04-03-2014

INSTRUCTIONAL ORDER

Subject : Installation of Automatic Meter Reading (AMR) Water meters.

Board is in process of installing AMR Meters. These meters are required to be installed in clusters i.e. in a particular M.R. & Area codewise, so that reading may be taken correctly, speedily and effectively without physical visit of the meter reader.

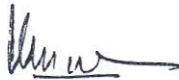

2. Such ZRO's in whose zone AMR meters have already been installed or are being installed, will ensure that any new water connection sanctioned or water connection re-opened in that particular MR/area code should have AMR meter only, so that physical reading be avoided. ZRO may put a stamp on the bill of new water connection/reopening that meter will be installed by the Board only.
3. The ZROs will forward the new K.No., address and mobile number of the consumer to the office of EE(Project)Water-I, who will ensure that the agencies involved install water meters within 7 days, so that billing may not be adversely affected. EE(Project)Water-I will further ensure that entry of Meter replacement be made in RMS.

This issues with the approval of the Competent Authority.
