Whereas, vide order No. F. 8(348)/EA/ ENV/09/1041-1061 18.05.2010, the Lt. Governor, Delhi has issued directions under Section 5 of the Environment (Protection) Act 1986 for regulating the extraction of groundwater in the National Capital Territory of Delhi as it has been found that continued extraction of ground water has led to severe depletion of ground water resources.

Whereas, the Hon'ble Supreme Court of India vide order dated 06.08.2010 in WP (C) No 36/2009 titled Measures for Prevention of fatal accidents of small children due to their falling into abandoned bore wells and tube wells V/s Union of India & other has also framed guidelines for monitoring of bore-well to prevent fatal accidents.
