DATED:28.9.2015

OFFICE MEMORANDUM

SUBJECT: - One time relaxation for exercising of option for fixation of pay on Promotions Financial Up gradations under ACP/MACP

The Department has been in receipt of representations from several quarters about senior employees are getting lower pay than their juniors. On examination it has been found that this anomaly has arisen due to fixation of pay after drawl of annual increment exercising option while on promotion/financial up gradation under ACP/MACP. The Unions have also raised the issue by highlighting the fact that due to non receiving of the orders in time or lack of awareness of rules especially Group D employees ,many employees have failed to give their option for fixation of pay on promotion/financial up gradation under ACP/MACP after accrual of increment in the lower grade. Hence many senior employees are facing hardship and drawing less pay than their juniors.

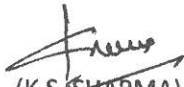

This matter has been sympathetically considered by the Competent Authority decided to allow one time relaxation to exercise, option of Rule provision of FR22(I)a(1) to all employees who have failed to exercise this option within one month of issuance of order .

The above relaxation is made as a one time relaxation, therefore, the DDOs/Section in charge/ Controlling Officers concerned are requested to give wide publicity to these orders, especially to Group 'D' employees under their control so that they exercise the option under aforesaid rule provision within one months from the date of issue of this order .

In future, all DDOs/Section in charge/Controlling Officers, AAOs should fix their pay only after having receiving written option under the said rules to the effective employees within stipulated period so as to avoid any further hardship/anomaly .

It is reiterated that it is only one time relaxation & this department will not consider any further proposals for relaxation and precedence on this account in future .

This issue with the approval of Competent Authority
