Dated. 14/05/15

To

All the Principal Secretaries/Secretaries/HOD's
Govt. of NCT of Delhi,
Delhi/New Delhi.

Subject: Regular Budget 2015-16.

Sir/Madam

The budget of Govt. of NCT of Delhi for 2015-16 was presented before the Legislative Assembly and a vote on account for a period of three months was approved and assented by Hon'ble LG.

While presenting the Budget 2015-16 and seeking Vote on Account, the Hon'ble Deputy C.M/Finance Minister informed the house that the Government wanted to have a fresh look into the complete budgetary process at the time of Regular Budget and intend to prepare a Plan for optimum utilization of its resources in complete partnership with common man for addressing their issues and problems for preparations of future plans. The Annual Financial Statements and Detailed Demands for Grants though are for full year, they will be revised at the time of presentation of Regular Budget for the year 2015-16

The Budget provisions for the financial year 2015-16 made under various Heads of Account in the Detailed Demand for Grants are already available with the Departments. In Regular Budget a new head of account or a new Plan Scheme which has not been included in the Budget Estimates 2015-16 can be included. The department(s) can re-assess requirement of their funds under Plan and Non-Plan schemes taking into consideration the present scenarios within the existing allocation of Department.

Attention is also invited to the Budgetary provisions under Object Head 42 in Detailed Demand for Grants for 2015-16, generally lump-sum provision is not made in the budget except where urgent measures are to be provided for meeting emergent situation or for meeting preliminary expenses on the scheme/project which has been accepted in principle for being taken up in the financial year. In such cases also the provision is to be limited to the requirement of preliminary expenses and for such initial outlays as for example, collection of material, recruitment of skeleton staff etc. The Department may therefore provide breakup of the expenditure by other objects of expenditure in regular budget where the provision is more than Rs.10 lakh.
