F 41(169)/FAS/DSW/Enhance. of Cap- OAP (LG)/14-'15/3123-38 Dated: 16-7-2015

ORDER

During the recent verification exercise of Old Age Pension beneficiaries, a clear vacancy of 20,000 cases has emerged amongst 60-69 year beneficiaries. Therefore, as per the approval of the Govt, Department of Social Welfare will now begin to accept new application forms under the scheme from July 22, 2015 at the respective District Social Welfare Offices. Like before, these cases have been distributed evenly across Delhi in proportion to the existing number of beneficiaries in each constituency. Accordingly, a list of the total number of forms to be accepted in each constituency of different districts is enclosed.

As per the change in practice during the last round of acceptance of new forms, all applications will be accepted only from the applicant himself/herself in the concerned District Office. It will be mandatory for the applicant to submit application form complete in all respects including Aadhaar numbers or enrolment numbers. They will also be required to bring originals of all submitted documents, so that the same may be verified then and there and their particulars entered onto the MIS "Integrated Welfare Delivery Platform".

As explained in previous order no. F 41 (149)/FAS/DSW/Streamlining FAS/13-'14/4016-30 dated 20.12.13, the steps involved in MIS "Integrated Welfare Delivery Platform" with respect to receipt of applications from an applicant would be-

- Applicant will personally approach the concerned District Office with the application form and original documents. Applications may not be accepted in bulk from MLAs or MPs or any other persons.
- The application forms may be recommended/ signed by area MP/MLA or a Gazetted Officer. The forms self-attested by applicant are also acceptable. Also, all accompanying documents should be self-attested by the applicant.
- At the time of submission of the application form, the submitted documents will be verified against the original documents, photo of the applicant taken and essential data entered in the data software.
- Thereafter an acknowledgment receipt will be generated in the provided format and given to the applicant. The receipt will give the essential details like the name of the applicant, father/husband's name, address, bank and branch name, account number and MICR code as well as the name of the scheme applied for,
- In case of any error in the details as per the receipt generated to the applicant, it will be the responsibility of the applicant to bring it to the notice of the concerned district office within 15 days of the application. This has to be clearly explained to the applicant while giving the receipt. Notices to this effect are also be displayed prominently,

1520/CC
17/7/2015

f) In the event that there is a large queue or internet is not functioning or some such technical error, applicant will be given a date and time to come back for completing the process,

g) Care must be taken that the deficiency report, if any, is generated at the preliminary stage itself and applicant informed accordingly, so that the deficiency may be removed earlier rather than later.

Exception in submission of the form by the applicant in person at the concerned District Office may be made for severely ill, bed ridden or very old applicants or those who do not have any assistance to approach the district office. In such situations, the applicant and/or any other person known to the applicant may send a letter by post requesting assistance. In case of such requests, you shall then depute staff to do the home visit and complete the application requirement from the residence of the applicant or any other place (like hospital, institution etc) where the applicant may be admitted.

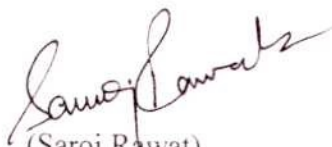

In case, the applicant has not yet enrolled in Aadhaar, kindly ask the staff to guide such persons to the facilitation counters for Aadhaar enrolment. A list of such facilitation centers is enclosed for reference.

DO letters to MLAs of your district informing them about the allocation in their constituency as well as the procedure to be followed in acceptance of forms are enclosed. Kindly get them delivered to the MLAs urgently.

Given the limited number of applications per constituency, once the quota is filled, you are also requested to maintain a waiting list of applicants whose applications may then be accepted subject to available vacancy due to rejections if any. You are also requested to then inform such applicants to submit their applications. This may be communicated very clearly to applicants in waiting while collecting their details.

This is issued with prior approval of Competent Authority.

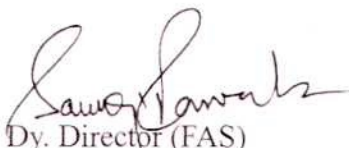

Encl: *List of Aadhaar Enrolment Centers.*
