Minutes of the Meeting on Safety of Mobile Towers and Reliability of Battery Backup

The meeting was held with mobile service providers on 1st May 2015 at 10:30 am in the Conference Hall of Divisional Commissioner, 5, Shamnath Marg, New Delhi. It was presided over by Divisional Commissioner, Delhi. The list of participants is attached. The decisions taken are as follows:

1. Mobile Service Providers including Tower Providers informed that the towers being used for communication are not having any certificate of structural/ seismic safety. They were advised to have the structural /seismic safety audit of their towers done through experts in the field and furnish the report to this office in the enclosed format:-

Sl. No	Name of the agency providing towers	Total no. of Towers	Towers found safe as per the audit	Towers found unsafe as per the audit	Proposed action plan to make towers structural/ seismic safe and timelines

2. Mobile service providers informed that they have batteries as well as diesel generator backup for power supply to the towers. However, backup is meant to cater for 24/48 hours. Mobile service providers were advised to prepare disaster management plans to make sure the mobile services continue to remain available during the disaster. They were advised to submit the plans to this office within a month.
3. Tetra set provider would impart training to the users of Tetra sets, particularly in context of emergency situation.
4. All Control Rooms of Emergency Support Functionaries (ESFs) should be equipped with one Tetra Set.
5. Mock drill to test the communication system (Mobile & Tetra) should be held periodically.

The meeting ended with vote of thanks to the chair.

(KUNAL, IAS)
DISTRICT MAGISTRATE (DDMA)
