All the above representations have been considered in the light of the instructions issued by DOPT for determining the seniority. The details of such representations are as under: -

The revised tentative seniority list of Leading Firemen has been issued in respect of those Leading Firemen who were promoted on regular basis vide order dated 29.04.2010, 04.01.2013 & 06.01.2014. Since the applicants have been promoted to the post of Leading Fireman, the question for fixation their seniority on the basis of panel year and earlier tentative seniority list dated 06.08.2010 does not arise because all the officials were promoted in the same DPC held on 12.04.2010 and orders were issued on 29.04.2010 to this effect.

As per the existing seniority Rules, Circulated by the DOPT vide OM Dated 03/07/1986, **"The Seniority of persons considered Fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted"**. Hence the representations are considered and rejected.
