-for

The fire protection systems provided in the building were test checked and found functional at the time of inspection.

Keeping in view the above substantial compliance of the minimum standards on fire prevention and Fire Safety measures required under the rules it is recommended to grant Fire Safety Certificate under rule 35 of Delhi Fire Service Rules 2010/ issue shortcomings as noted at serial numbers.

Note: - The building is comprised of Bosement, Ground Floor plus two upper Floors. FSC is recommended for bosement, Ground Floor plus two upper Floors.
