Department of Health & Family Welfare
9th Level, A-Wing, Delhi Secretariat, I.P. Estate, New Delhi

No. PS/H&FW/2016/ PnsecyHfw/894-933

Date: 16.08.2016

OFFICE ORDER

In view of the upcoming dengue fever, all the Medical Superintendents of Hospitals and their Blood Bank Incharges are directed that they should prepare platelet pheresis registry to meet the increasing demand of platelet during dengue fever. All the platelet donors should be screened for their HB platelet count and TTI marker. The consent from the donor should be taken for 24 hours availability. In case of need, donor can be called and perform the platelet pheresis and can be given to the needy patient.

The list & contact detail of potential donors should be maintained for inspection. The report of number of donors and donation should be shared with Dr. Bharat Singh, Director (SBTC).

(Dr. Tarun Seem)
Secretary (H&FW)
