Dated: 25/07/2016

**OFFICE ORDER**

This is with the continuation of previous office order no. F.No.4/PH-IV/DHS/2013-14/120942-947 dated 16.09.2015, wherein ceiling price had been fixed at Rs. 600/- (Rupees Six hundred only) for each NS1 Ag (ELISA based) & MAC ELISA test. Charges for platelets count had also been fixed at Rs. 50/- (Rupees Fifty only).

This is also with reference to D.O. No.7-119/2013/NVBDCP/DEN/Review Meeting-P. dated 05/07/2016 from NVBDCP, GOI to put a cap on charges not more than Rs. 600/- and Rs. 50/- for Dengue test and platelets count respectively, in the private sector.

In view of above, it has been directed to continue the same for this year also to minimize the panic in the community and also reduce the economic burden on the community.

Action, as deemed fit will be initiated against any Private hospitals or private laboratories charging more than the fixed ceiling price of dengue testing & platelet count.

This is for the strict compliance with immediate effect.
