ORDER

1. The present complaint, received in this office on 08-10-2012, is filed by one Shri Subhash, resident of House No.9, Summan Bazar Lane, Bhogal, New Delhi, alleging illegal construction and encroachment on public land by one Shri Ravinder Singh @ Kaplu, nephew of the then sitting MLA, Shri Tarvinder Singh Marwah, at the corner of property bearing No. 2/57, Jangpura-A, New Delhi 110014.
2. It is alleged in the complaint that twenty flats have been constructed in the aforesaid property after encroaching upon public land by Shri Ravinder Singh @Kaplu, but the police as well as the concerned MCD officials have not taken any stern action against the aforesaid illegal construction till date. Photographs of the under construction works are enclosed with the complaint. The concerned Junior Engineer of the area is stated to be taking bribe for giving opportunity to Shri Ravinder Singh @ Kaplu to illegally construct flats on public land and sell the said flats on false and fabricated documents.
3. On receipt of the aforesaid complaint, an enquiry was initiated by sending a letter to the complainant calling upon him to furnish better particulars. The complainant was also contacted on his mobile number as mentioned in the complaint by the

then Assistant Director (Investigation). The latter was told by the complainant that he had not sent any complaint to any office and that his address was also mentioned incorrectly, as he was residing in House No.8, Bazar Lane, Bhogal.

4. The Assistant Director (Investigation) also visited the area for a local enquiry and found that a four storey building had been constructed by joining four different properties bearing Numbers 2/54, 55, 56 and 57. A report was also sought from the Deputy Commissioner, South Delhi Municipal Corporation, which stated that three properties belonged to Shri Kaplu, namely, Property No.2/53, 2/55 and 2/56 and two to Shri H.R. Arora, namely Property No. 2/57 and 2/58, and that all the four properties had been booked for action for demolition under Section 343/344 and sealing under Section 345A of the DMC Act, 1957, on 28-09-2012. Necessary orders of demolition and sealing had been passed in respect of the properties belonging to Shri Kaplu and sealing orders were yet to be passed for the property of Shri Arora. Show Cause Notices to Shri Kaplu and Shri Arora had been issued as there was no sanctioned plan in respect of the aforesaid properties.
5. The Assistant Director (Investigation) in his report dated 20-12-2012 concluded as follows:-

"As per enquiry and report of SDMC, nothing in particular has come against Shri Tarvinder Singh Marwah, MLA and action has been initiated by the concerned authority against the properties. Report is submitted for perusal please".

6. On going through the report sought for from the Deputy Commissioner, South Delhi Municipal Corporation on 27-11-2012 (submitted on 14-12-2012) and the report of the Assistant Director (Investigation) dated 20-12-2012, the then Officer on Special Duty to the Hon'ble Lokayukta (Hon'ble Mr. Justice Manmohan Sarin) in his note dated 21-12-2012 concluded as under:-

"The complaint does not mention involvement of "Public Functionary" as defined in the Delhi Lokayukta & Uplokayukta Act. Allegations are against a nephew of Shri Marwah, who is sitting MLA and not against him, nor does the complainant allege any misuse or abuse of position by the "Public Functionary".

The U/C (unauthorized construction) has already been booked by the SDMC and demolition and sealing action qua the properties mentioned in the complaint have already been initiated.

The field enquiry by AD(I) does not show any involvement of Shri Marwah in these activities. Hence, no material for initiating enquiry under Section-7 of the Delhi Lokayukta and Uplokayukta Act against Shri Tarvinder Singh Marwah, MLA, has come on record. The complaint is also pseudonymous, so no assistance can be taken from the complainant/informant".

7. By an order dated 01-01-2013, my learned predecessor (Hon'ble Mr. Justice Manmohan Sarin), while recording that the complainant had been informed on 19-10-2012 regarding the complaint having been forwarded to the Corporation for necessary action and had thereupon "maintained eerie silence on being contacted", observed as under:-

"It is absolutely essential that in such cases a clear message is sent by the Corporation by swift and tangible action that the rigours of law is not only for the common citizen but also applies to those who may be occupying the high echelons of power. The SDMC in consultation with the DC is directed to submit a concrete plan of action proposed to be taken for demolition of structures and the time frame within which the same is to be implemented be also specified returnable on 1st February 2013 at 2.30 P.M"
