ORDER

All the Motor Licensing Officers were directed time and again to check the motor vehicle dealers in their jurisdiction and take action against unauthorised vehicle show-rooms as per Motor Vehicles Act/Rules made thereunder. In a meeting held with the Hon'ble Transport Minister recently, one representative of E-Rickshaw Association raised the issue of sale of unapproved E-Rickshaws by some unauthorised dealers, causing plying of unauthorised E-Rickshaws and mushrooming of unapproved dealers/ models.

Attention of all Motor Licensing Officers towards Central Motor Vehicles Rules, in compliance to which, every vehicle is to be tested by the designated Testing agency for the tests related to safety, emission and other requirements as notified by Ministry of Road Transport and Highways from time to time. These tests are performed on safety critical components/ assemblies and also on full vehicles. For battery operated E-Rickshaws, safety standards are prescribed vide S.O. 2590 (E) dated 08.10.2014 for E-rickshaw in NCT of Delhi. Plying of unauthorised E-Rickshaws and mushrooming of unapproved dealers/ models, without proper safety standards, can cause a threat to life of the commuters as well as road users.

In view of above, all the Motor Licensing Officers are hereby directed to launch a special drive against the unauthorised dealers selling E-Rickshaws/ E-Carts and take appropriate action including filing of complaints with Delhi Police for lodging FIR against unauthorised show-rooms found existing, if any under relevant provisions of Indian Penal Code within seven days, without fail.
