Dated: 15.07.2016

**ORDER**

**Subject: Posting of Safai Karamcharis nearer to their residence**

It has been observed that a large number of Safai Karamcharis in all the three Municipal Corporations have to travel more than 20-kms from their residence to reach place of their work early in the morning. Sometimes it involves a travel of more than two hours in the morning to reach their place of work which affects punctuality as well as output. At the same time, it is inconvenient to this vulnerable section of workmen. In order to ensure punctuality and to make working conditions more conducive to highest output, it is hereby ordered that as far as possible the safai karamcharis should be posted within a radius of 15-kms from their residence and Commissioners are authorized to effect Inter-Corporation Transfer of safai karamcharis only on above condition to ensure that they are posted within 15-kms of their residence.

The Compliance of the above order may be submitted within one month.
