F. No. DGHS-16012/41/2016-DGEHS DGHS-DIRGE (DGHS)-Part (1)

ORDER

It has been observed by the office of DGEHS while processing the bills for payments to hospitals/diagnostic centres/Authorized Local Chemists, in respect of treatment taken by the beneficiaries on cashless basis or medicines supplied by the respective dispensaries that some of the medical facility cards issued by the respective departments did not have the information of the validity of medical card in case of pensioners i.e life time or not, details of subscription amount deposited at the time of superannuation and ward entitlement etc. It has caused inconvenience and denial of treatment to many beneficiaries by the hospitals and to this office in clearing the bills.

In consultation with competent authority, to solve this problem, it has been decided that all the Departments of GNCTD must be requested to circulate this order to all their subordinate offices to make endorsement of validity of card, subscription amount deposited and ward entitlement on the medical facility card to be issued to the beneficiaries in future. For those beneficiaries / pensioners who have been issued Medical Facility cards in the past without this information on their cards, a separate public notice is being issued with the request to get this endorsement done from their card issuing office upto 31st July 2016 positively to avoid inconvenience.

All the empanelled hospitals and diagnostic centres under DGEHS have also been directed not to refuse treatment to beneficiaries till 31st July 2016 on the issue of validity of card etc. These hospitals are also being requested to publicize this information for the benefit of beneficiaries.

This issue with the prior approval of competent authority for strict compliance.

(Dr. Ashok Kumar)
Addl. Director, DGEHS

To,
All HOD of GNCTD of Delhi
MS of Delhi Govt. Hospitals
CDMOs
CEO/MD/MS of all empanelled hospitals/diagnostic centers.
All ALCs
