Subject: Grievance Redressal Machinery for Anganwadi Workers and Anganwadi Helpers under Intergrated Child Development Services (ICDS) Scheme - Setting up of - Reg.

Madam/Sir,

As you are aware, the centrally sponsored ICDS scheme is being implemented in State/UT's of the Country since 1975. Anganwadi Workers and Helpers are grass-root honorary women functionaries providing vital services to young children and women in Anganwadi Centres under this scheme. Selected from the community, these workers assume a pivotal role due to their close and continuous contact with the people, especially women they works with. As a crucial link between village population and the Government administration, they become a central figure in helping the community identify and meet the needs of their children and women. As a caregiver looking after children at the anganwadi centre, they play a crucial role in promoting child growth and development. They are also an agent of social change, mobilising community support for better care of young children, girls and women. The success of the ICDS Scheme can be well attributed to these over 5 lakh Anganwadi Workers and equal number of Helpers in more than 4,300 operational projects spread throughout the country.

2. The Government has taken many steps in last few years to provide additional benefits to these workers and helpers. Their honorarium has been enhanced, rates of T.A./D.A. during training has been revised and a scheme of awards has been also introduced. These efforts are also being supplemented by most of the State Governments and UT Administration.

3. In view of the key role of the anganwadi workers and helpers it is of utmost importance that their grievances and day to day problems are redressed and solved

regularly and expeditiously. For this purpose it is suggested that a Grievance Redressal Committee for Anganwadi Workers and Helpers at the district level may be set up by the State Government/UT Administration. The Committee may include representatives of Anganwadi Workers & Helpers also. Such a mechanism will greatly improve the morale and motivation of these workers. This Committee may meet once in a quarter during the year.

4. At the State/UT level too, a similar mechanism may be established to improve and enhance the motivation of these workers.

5. Receipt of the letter may please be acknowledged.

Subject:- Selection of Anganwadi Workers under the ICDS Scheme-
Instructions regarding.

Sir / Madam,

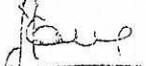

I am directed to invite your attention to this Ministry's letter of even number dated 2nd Nov. 2006 on the subject mentioned above. The instructions with regard to selection of Anganwadi workers contained in this letter are reproduced below :-

"The Anganwadi workers should be a lady (18-44 years) from the local village and acceptable in the local community. Special care should be taken in her selection so that the children of Scheduled Caste and other weaker sections of the society are ensured free access to Anganwadi. It is suggested that the AWWs in the selected project areas may be selected by a committee consisting of the District Social Welfare Officer, the BDO, the CDPO, the Medical Officer of the primary health centre, the President of the Taluka Panchayat / Block Advisory Committee, the district representative of the State Social Welfare Advisory Board and any other non-officials which the State Government may consider appropriate."

2. It has come to the notice of this Ministry that some of the States have included the Members of Legislative Assembly as Chairperson / Member of the Committee constituted for Selection of the Anganwadi Workers/Helpers under the Scheme. The matter of involving MLAs in the selection of Anganwadi Workers / Anganwadi Helpers has been under consideration of the Government for sometime and it has been decided that it would not be appropriate to include them in the selection process of Anganwadi Workers, who are honorary and grassroot functionaries under the ICDS scheme.

3. It is requested that States/UTs may kindly confirm compliance of the aforementioned instructions by 16th June, 2007. This Ministry may also be apprised of the current composition of Selection Committee constituted for the Selection of Anganwadi Workers/Helpers

Yours faithfully,

(Satinder Kaur)

Under Secretary to the Govt. of India.
