Restaurant is located at 2nd floor of Select City Walk building. Underground, over-head static water tank, fire pumps, hose-reels, means of escape, automatic detection system, sprinkler system etc. are provided and maintained by mall management. The fire safety arrangements provided therein are common for entire building. The Fire protection systems provided in the building were test checked at random and found functional at the time of inspection.

Keeping in view the substantially satisfactory compliance of the minimum standards on fire prevention and fire safety measures as required under the rules, it is recommended to issue Fire Safety Certificate under rule 35 of the Delhi Fire Service Rules, 2010.

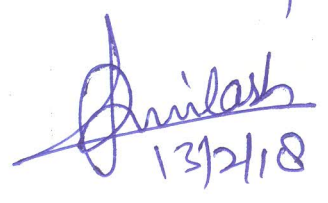

Accordingly, DFA is put up for approval and signature please.
