	Pro	tection of special Risk, if any.			

The fire protection system provided in the building / premises were test checked at random and found functional at the time of inspection. The shortcomings earlier communicated by this vide even letter No. F6/DFS/MS/GH/2016/789 dated 31/03/2016 found complied.

Keeping in view the substantial satisfactory compliance of the minimum standards on fire prevention and fire safety measures as required under the rules, it is recommended to issue Fire Safety Certificate under rule 35 of the Delhi Fire Service Rules, 2010.

Accordingly DFA is put up for approval and signature please.

Signature of the Inspecting Officer
